Note: The following is a description of the event, as it should appear in the club's end of the year narrative report. Be concise - tell who, what, when, where, and why!

\*There is to be **NO CROSS-REPORTING** for any project in the CSP & Advancement areas. Projects or programs that are part of your Community Improvement Project may be reported in both the CSP areas AND in your Community Improvement Program narrative.

\*\***Fundraising**: Report only the how, when and where funds were raised in Fundraising and then report the distribution of the funds raised in the Community Service Program, Special Projects reports or in one of the other Advancement Programs.
