

GFWC Reporting: GFWC Advancement – Legislation and Public Policy

Did your club do any programs or project pertaining to the following that can be reported in the Legislation and Public Policy Advancement Narrative?

ACTIONS:

- Be familiar with public policies of GFWC by reviewing GFWC Resolutions
- Subscribe to LegNet-GFWC's electronic newsletter that advances and supports GFWC's impact on important policy issues
- Read Watching Washington Program update in GFWC Clubwoman Magazine
- Plan a legislative day
- Program to educate members and community on government at all levels
- Distribute a directory identifying public officials and contact information
- Invite an elected official to discuss important constituent involvement
- Members attend City/District council meetings
- Visit with state or city officials to discuss GFWC's top legislative priorities
- Attend public forums
- Be familiar and participate in national campaigns supported by GFWC
- Encourage women in the legislative process – run for office
